Mission Statement: "The Town & Country League provides a sanctioned organization and state tournament for All-Star teams from recreational leagues of single, smaller towns per league guidelines.

While we recognize that there are different interpretations of the word 'smaller', guidelines of league sizes ultimately define an individual team's eligibility.

We encourage you to enter or inquire for additional information, but we want it to be known that this is not a tournament for combined leagues from several smaller towns that form one super all-star team, and it is not for travel teams.

However, Rec-league all-star teams who also may play in travel tournaments are allowed, as well as kids who play on travel teams, as long as the players that make up a team entered are the same ones' who have played in at least half of their rec-league team's scheduled games."
