Mission Statement: "The Town & Country League provides a sanctioned organization and state tournament for All-Star teams from recreational leagues of single, smaller towns per league guidelines. We encourage you to enter or inquire for additional information, but this is not a tournament for combined leagues from several smaller towns that form one super all-star team, and it is not for 'travel teams'. However, Rec-league all-star teams who also may play in travel tournaments are allowed, as well as kids who play on travel teams, as long as the players that make up a team entered are the same ones' who have played in at least half of their rec-league team's scheduled games."
