14U SOFTBALL Tournament (Sat. July 20)
Host Site: North Manchester

Round Robin schedule:

Note : North Manchester will be charging an admission or parking fee paid upon arrival to help pay for umpires.

Game 1 -- Sat 10 am	Manchester vs. Wabash
Game 2 -- Sat noon	Nappanee vs. Wabash
Game 3 -- Sat 2 pm	Nappanee vs. Manchester
Game 4 -- Sat 4:30 pm	#2 seed vs. #3 seed
Game 5 -- Sat 6:30 pm	Game 4 winner vs. #1 seed

* Home team decided by coin toss for game 1-3, then by best seed for games 4 & 5

* Round Robin results will then feed to bracket below. 3 game minimum guarantee

* All games are 6 innings in duration. Gms 1-3 will have 1hr. 45min. time limit. No time limit on Games 4 & 5.

Tie-Breaker for bracket seeding: 1) Head-to-Head; 2) Runs-allowed ratio; 3) Runs-scored ratio *(see definitions below)* ; 4) Coin toss

Runs-allowed ratio - the total number of runs given up in all pool play games, divided by the # of ½-innings played on defense by that team in those games. Ex.) Team A has given up 7 total runs in all its pool play games & has played 18 innings on defense. Therefore, 7 divided by 18 = 0.3889 runs-allowed ratio. The lower runs-allowed ratio is the better seed.

Runs-scored ratio - same as above except it's a measure of offensive runs scored vs. defensive runs allowed. ie.) the total # of runs scored in all pool play gms, divided by the # of ½-innings played on offense by that team in those games. Ex.) Team A has scored 7 total runs in all its pool play gms & has batted 18 inngs on offense. So, 7 divided by 18 = 0.3889 runs-scored ratio. The higher runs-scored ratio is the better seed. *Note* : If there is a 3-team tie from head-to-head, use tiebreaker #2, then #3 (if needed) to determine winner. Once winner is in place, then use head-to-head tiebreaker from remaining teams for 2nd place.

#1 seed   (H)

Sat 6:30 pm Game 5

#3 seed   (V)

Sat 4:30 pm Game 4

#2 seed   (H)
